

JUMPING COMPETITION

Arlo, Allergy School's star pupil,
is an armadillo.

Did you know armadillos can jump four or five feet high? How high can you jump? We're holding a jumping competition to raise money for Allergy School and The Natasha Allergy Research Foundation.

Together we can empower, include and protect children with food allergies.

For more information go to AllergySchool.org.uk

Hi, I'm Arlo. Thank you for supporting Allergy School.

The Natasha Allergy Research Foundation is registered as a Charity: England & Wales No:1181098 and Scotland No: SC051610. Registered address 85 Great Portland Street, 1st Floor, London, W1W 7LT UK.
